

Orthotic Solutions Ltd.

Unit 1, Pineview Business Park, Firhouse Rd, Templeogue, Dublin 16.

T: +353 1 495 4431 E: solutionsorthotic@gmail.com

ORTHOTIC TECHNICIAN

Established in 1997, Orthotic Solutions is a specialised paediatric orthotic service provider, with a particular expertise in paediatric spinal disorders. Working with orthopaedic surgeons, clinical nurse specialists and physiotherapists, our goal is to provide a patient-focused, friendly and relaxed environment for our young patients.

Job summary

As an Orthotic Technician, you will be responsible for fabricating, assembling, and repairing orthotic devices, as well as preparation of plaster moulds for manufacture. This hands-on role requires precision, good technical aptitude, and a strong commitment to quality.

Working within a small, dedicated, onsite team, this role would suit a person with good hand skills, but also a problem-solving brain and someone who is keen to learn from our experienced team.

Skills & personal attributes

- Safe and competent working practices within an orthotic workshop environment
- Proficiency in the use of fabrication tools and techniques
- Strong manual dexterity and craftsmanship
- Previous experience in orthotics, prosthetics, or a related technical field is desirable, but not essential
- Excellent attention to detail and problem-solving skills
- Positive and proactive 'can-do' attitude
- Ability to work independently and as part of a team
- Ability to multitask and prioritise effectively

On offer

- Competitive salary based on experience
- Full-time Monday to Friday (part-time might be considered for the right candidate)
- Paid holidays and bank holidays
- Location in-house at our clinic in Dublin 16
- Cycle to work scheme
- Supportive and collaborative work environment

Please send your CV and cover letter in confidence to ciarnaid.solutionsorthotic@gmail.com or feel free to contact us for an informal discussion.

Closing date for applications Friday May 30th 2025
